

# Transition 101 - Parent Training

What is Transition? What does this mean for my child with a disability?

If you have a child with a disability who is 13 - 21 years of age and would like to receive information about the transition process and transition section of an IEP, then please come join us for an informational training about transition. Parents, guardians, and family members from **ANY DISTRICT** may attend any of the following trainings listed below.
